## ***PLEON YACHT CLUB AND THE 2010 SAILING PROGRAM***

The 2010 Pleon Sailing Program will begin Thursday, June 24<sup>th</sup> and end Wednesday, August 18<sup>th</sup>. The primary emphasis of the program is learning through experience on the water. Pleon also provides members with a variety of additional summertime activities. Social events include cookouts, movie nights, dances, Great Day, the Commodore's Ball and Awards Night. Elections for flag officers are held in August for the following summer. Pleon often hosts regattas including regional, national and international class championships. Commodore Grace Quigley will be on hand each day during the summer to answer any questions that you may have regarding club and social activities.

### ***TRY OUT PLEON!***

Pleon would like to encourage members of our community to try out Pleon! This year we will be offering a number of programs for those who would like to experience Pleon without making a season-long commitment. Intro to Pleon is a two-week program for the youngest sailors. Many of our other classes now offer two four-week sessions for older sailors. Sailors signing up for any of these programs, or as social members, will be members of Pleon for the full season and are invited to participate in social activities of the club throughout the summer. Please see more detailed course descriptions on the following pages.

### ***CLASSES OFFERED AS HALF SESSIONS***

The Beginner, Intermediate, Laser 1, Intro to 420, O'Pen Bic, Intro to Adventure Sail and Adventure Sail classes are all offered as half sessions. Sailors may elect to take one or both sessions, or to take a combination of classes. Sailors signing up for the first session of a class who subsequently wish to extend to a whole season may do so as space permits. All sailors are encouraged to participate in Marblehead Junior Race Week, Junior Olympics, and in club activities throughout the season.

Session 1 starts on June 24 and ends on July 21.

Session 2 starts on July 22 and ends on August 18.

### ***WEDNESDAY AFTERNOON RACING & COOKOUTS***

Races are held every Wednesday afternoon starting at 1:00PM and are open to all members. Weather permitting, there will be a cookout following racing.

A **mandatory** parent information meeting will be held at Pleon on Tuesday, June 22<sup>nd</sup> at 1830. A Parent/Student handbook including class objectives, a summer calendar, regatta schedules and program events will be distributed at that time.

## **SAFETY**

**SWIM TEST:** On the first day of class, all sailors will be required to take a swim test in the harbor. All participants in the program will swim in a swimsuit for 50 yards and tread water for one minute. Remember to bring a towel and warm clothes to the first class.

**LIFE JACKETS:** Safety is of primary importance! Every child, regardless of age or class, is required to own and wear a Coast Guard-approved life vest at all times when on the dock and water. This rule also applies to free sailing at Pleon and to participants at away events.

**CONDUCT AND DISCIPLINE:** Proper conduct is simple common sense. There should be no rough play on the dock or on Pleon grounds. Jumping off piers is absolutely forbidden. Respect for fellow members and boats is essential. When juniors are sailing at away events, they are representing Pleon, and poor sportsmanship will not be tolerated. Sailors and their families will be held accountable for lost or damaged equipment if it is deemed by staff to be reasonably preventable given the sailor's ability level. If discipline is necessary, the Director reserves the right to require a student to leave the program for a certain period of time. The student's parents will be notified immediately. Please refer to the Parent Agreement.

**INSTRUCTIONAL STAFF:** Our high caliber staff is chosen from all over the globe. They have impressive resumes from the collegiate ranks and beyond. Each instructor is US Sailing certified (or equivalent) and trained in CPR.

## **INSTRUCTOR HOUSING**

Would you or someone you know be willing to house an instructor for the summer? A stipend is provided. If interested, please call Tracey Myers at 781-631-2155 ([traceymyers@comcast.net](mailto:traceymyers@comcast.net)).

## **COMMUNICATION**

During the program, a weekly newsletter will be distributed via the mailbox located at the top of the hill. Please check the box on a regular basis in order to stay informed about upcoming events. In addition, a weekly email will be sent out to all parents. Pleon also maintains a website: [www.pleon.org](http://www.pleon.org). Please visit the site for information throughout the summer, and to sign up to receive email updates.

## **PRIVATE BOATS**

Due to space limitations for private boats at Pleon, the more experienced classes will be given priority for boat storage.

## **LOCKERS**

Locker assignments will be made in June by the Commodore.

## **REGATTA PARTICIPATION**

**PARENTAL SUPPORT:** Parental support is essential for all sailors participating in regattas. Responsibilities include registering for regattas, chaperoning at away events, providing transport for children, dinghies and coach boats, loading and unloading boats, supplying snacks and drinks, and providing accommodation for coaches while traveling. There will be a mandatory Parent's Meeting for each Race Team early in the season, at which time the regatta schedule and parental coverage will be discussed. If you have questions, please contact a member of the program committee.

**BOAT CHARTERS:** Private boat ownership is strongly encouraged for members of the Race Teams. Alternatively, arrangements can be made to charter a club boat for a regatta, subject to availability. A charter fee and a damage deposit will be charged. Contact the Program Director at the beginning of the season to arrange your charter.
